

License Agreement Moto Scanner

IMPORTANT NOTE

The software, as defined below, is protected by copyright which is vested in KiS Software.

Registration codes, as defined below, are protected by copyright which is vested in KiS Software.

The software and registration codes may only be used in accordance with the terms and conditions set out in this document.

If you do not read and agree to be bound by the terms and conditions defined in this document then you are not permitted to keep or use the software or registration codes in any way whatsoever and must destroy or return all copies of these items which are in your possession.

Definitions

The following definitions apply to the terms and conditions included in this document.

Registration code

A code which is used to control the features available in the software, but is not itself part of the software.

An individual

A particular person.

Use of the software

Means use of the software on one or more computers by a single individual. Where the software is used by more than one individual, then this will constitute multiple uses where the number of uses will be equal to the number of individuals able to access to the software even if not all of the individuals with access make use of the software.

SOFTWARE LICENCE AGREEMENT

This is a legal agreement between you, the users, and KiS Software. By installing or using this software, you agree to be bound by the terms of this agreement.

You may use one copy of the software on only one computer. If you have multiple licenses of the software, you may use as many copies at any time as you have licenses. "Use" means loaded in temporary memory or permanent storage on the computer. Installation on a network server solely for distribution to other computers is not "use", if you have a separate license for each computer to which the software is distributed. If users exceed the number of licenses, you must have a reasonable process to assure that the number of persons using the software concurrently does not exceed the number of licenses.

You can use unregistered version of moto scanner 30 days since installation date.

The software is protected by Polish copyright laws and international treaties. You may make one copy of the software solely for backup or archival purposes or transfer it to a single hard disk provided you keep the original disk solely for backup or archival purposes. You may not rent or lease the software or copy any written materials accompanying the software, but you may transfer the software and all accompanying materials on a permanent basis, if you retain no copies and the recipient agrees to the terms. Any transfer must include the most recent update and all prior versions. You may not reverse engineer, de-compile or disassemble the software.

KiS Software does not warrant that the functions of the software will meet your requirements or that the operation of the software will be uninterrupted or error free. You assume responsibility for selecting the software to achieve your intended results, and for the use and the results obtained from the software.

KiS Software disclaims all warranties, express or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose, for the software and all accompanying written materials.

In no event shall KiS Software or its suppliers be liable for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or other pecuniary loss) arising out of use or inability to use the software, even if advised of the possibility of such damages.

Copying and Distribution

The software may be freely copied, stored and distributed by any person or organization, providing that the person or organization meets the terms and conditions of this document in full.

Modification of the software, and storage, distribution and copying of modifications to the software is prohibited.

Registration codes may be used in conjunction with the software only by the person or organization which purchased the associated product license. Neither a license nor a registration code may be transferred from the original end user purchaser to any third party.

Registration codes are not part of the software and may be stored or copied only by the person or organization which purchased the associated license, and providing that the terms of the associated license are met in full. Such storage or copying shall be permitted solely for the purpose of using the software within the terms and conditions of this document. No person or organization is permitted to store or copy a registration code for any other purpose without written agreement from KiS Software.

The copyright of all registration codes remains vested in KiS Software which reserves the right to withhold or withdraw authorization of use of all registration codes issued to a person or organization if there is reasonable evidence to indicate that the person or organization is involved in a breach of the terms of this document.

Variation

Any variation to the terms of this document shall only be valid if made in writing by KiS Software.
